For women, 'self-talk' can be downright ruthless--and a woman's worst enemy. Take a journey of discovery, inspiration, and laughter...with your new unfiltered girlfriend who's armed with practical advice and the occasional (though sometimes necessary) smack-down, to keep your "self-talk" in check!

The Women's Book of Dirty Words

We women talk - a lot. Yet, the words that take others to their happy place often make us miserable. Words like vacation, dinner, balance, and change can leave us breathing into a paper bag with our heads between our knees. It doesn't have to be that way. Join Mary Fran Bontempo in *The Women's Book of Dirty Words* and redefine the 'dirty words' that make women cringe. You'll laugh, clean up your self-talk, and trim your 'dirty words' list down to size!

Not Ready for Granny Panties - The 11 Commandments for Avoiding Granny Panties

Granny Panties are as much a state of mind as a giant pair of unmentionables, and no woman is immune from getting stuck. In this delightful book, Mary Fran empowers women to eliminate what doesn't work and embrace what does by offering a new set of "commandments" to make life more manageable, fulfilling, and fun, personally and professionally.
